Oral and Maxillofacial Surgery (OMS) is a challenging specialty that combines dental, medical and surgical knowledge and skills, and requires extensive study in a rigorous training program. Selection onto the OMS Training Program must be made directly to The Royal Australasian College of Dental Surgeons (RACDS).

In Queensland, for an employment contract to be issued by your allocated training facility, applicants MUST ALSO submit an application via the RMO Campaign portal. For further information on the individual facilities including contact details, please refer the Participating hospital contacts and profiles page on the RMO Campaign website.

**RMO application: Step 10 Preferences**

If you are on or have applied to RACFS, at **Step 10: Preferences** of the online RMO application, you MUST complete your preference by selecting the following:

- **What is your first preferred facility?** *(Required)*
  - College/Pathway/Network (Determined)

- **What is your first preferred position?** *(Required)*
  - Registrar

- **What is your first preferred Specialty?** *(Required)*
  - Surgery

- **What is your first preferred Sub-Specialty?** *(Required)*
  - Oral and Maxillofacial

As up to 5 preferences may be recorded as part of the application, it is recommended that applicants utilise a lower preference to indicate which positions they may be interested in if they are not selected to their preferred position. You can search for alternative vacancies by using the Position search tool on the RMO website.
