

Research Application Checklist – ETHICS (HREA) SUBMISSION

A HREC submissions - mandatory items	
<input type="checkbox"/>	Cover Letter (Addressed to the HREC Chair, including a brief description of study, if the study is to be reviewed as Low or Negligible Risk (LNR) research or higher than low risk research, study sites and list of documents submitted for HREC review and approval)
<input type="checkbox"/>	Human Research Ethics Application (HREA) form – completed online at https://au.forms.ethicalreviewmanager.com/ and signed by the Principal Investigator
<input type="checkbox"/>	Study Protocol – This is the specific plan for the research. (Must have a version number and date in footer). Find THHS template at https://healthqld.sharepoint.com/teams/THHS-TRESA/Shared%20Documents/Forms/AllItems.aspx
<input type="checkbox"/>	CV for all investigators (signed/dated)
B Study specific documentation (if applicable to your study)	
<input type="checkbox"/>	Data Collection Tool(s) e.g. case report forms, data spreadsheet
Studies prospectively recruiting participants (including opt out consent)	
<input type="checkbox"/>	Participant Information and Consent Form (PICF) (Must have a version number and date in footer). Find NHMRC standardised PICF templates: https://www.nhmrc.gov.au/research-policy/ethics/ethical-issues-and-resources
<input type="checkbox"/>	Questionnaire/Survey/Interview Guide or other instruments
<input type="checkbox"/>	All Recruitment Documentation e.g. advertisement, poster, brochure, letter of invitation
<input type="checkbox"/>	Other e.g. participant diary, letter to GP, identification card
Industry or privately sponsored studies	
<input type="checkbox"/>	HREC only indemnity. See Medicines Australia Indemnity template: https://medicinesaustralia.com.au/policy/clinical-trials/indemity-and-compensation-guidelines/
Clinical Trial	
<input type="checkbox"/>	Investigator's Brochure
Gene Technology	
<input type="checkbox"/>	Institutional Biosafety Committee (IBC) approval For more info go to: http://www.ogtr.gov.au/internet/ogtr/publishing.nsf/Content/ibc-1
<input type="checkbox"/>	Licence for dealings with a Genetically Modified Organism (GMO)
Radiological procedures outside standard practice that are performed specifically for research	
<input type="checkbox"/>	Independent assessment report by a Medical Physicist or District Radiation Safety Officer
Study site in Victoria to be included under this HREC approval	
<input type="checkbox"/>	Victorian Specific Module (sub form in https://au.forms.ethicalreviewmanager.com/)
When and Where to submit:	
Documents must be uploaded in https://au.forms.ethicalreviewmanager.com/ and project submitted <u>online</u> for all studies	
Low or Negligible Risk Research:	Submit online anytime (No hard copies of documents required)
Greater than Low or Negligible Risk Research: Submit online by meeting deadline (No hard copies required)	
Find the THHS HREC meeting submission dates here: https://www.townsville.health.qld.gov.au/research/for-researchers/research-ethics-and-governance/townsville-hhs-hrec-information/

Level 2, Townsville University Hospital, Douglas QLD 4814

Research Application Checklist – GOVERNANCE (SSA) SUBMISSION

A Governance Submissions - mandatory items	
<input type="checkbox"/>	Cover letter (Addressed to THHS Research Governance (RG) Officer including a brief description of study, study sites and list of documents submitted for THHS RG review and authorisation)
<input type="checkbox"/>	Site Specific Assessment (SSA) Application (with signatures) completed online at https://au.forms.ethicalreviewmanager.com/
<input type="checkbox"/>	Copy of all Study Documents , relevant to this site, provided to HREC, including HREC application form and study protocol (or post HREC approval – all final HREC approved documents). Note: Researcher CVs no longer required for SSA
<input type="checkbox"/>	Copy of HREC Approval Letter (when obtained)
B Study specific documentation - Governance (if applicable to your study)	
Studies prospectively recruiting participants (including opt out consent)	
<input type="checkbox"/>	Participant Information and Consent Form/s (PICF) (if applicable) (For multi-centre studies only - submit both the Master PICF and a tracked and clean Site Specific PICF)
<input type="checkbox"/>	Any other Site Specific Recruitment Documentation (For multi-centre studies only)
Studies involving a Non-QH Collaborator or Sponsor (includes Student or university projects and other collaborative projects)	
<input type="checkbox"/>	Study Agreement – Contact RGO Administrator for advice or use Medicines Australia CTRA templates: https://medicinesaustralia.com.au/policy/clinical-trials/clinical-trials-research-agreements (If study is LNR, low resource study and only between JCU and THHS an agreement will not be required. Cover letter must state: “ I have discussed this study with the appropriate persons at JCU and have received confirmation from JCU that they are agreeable that this study fits the criteria to be covered by the overarching umbrella agreement between JCU and THHS”.)
Clinical Trial (includes Collaborative Research Group, Investigator Initiated or Industry Sponsored Clinical Trials)	
<input type="checkbox"/>	Indemnity Form (in triplicate)
<input type="checkbox"/>	Evidence of submission of eCTN/CTX form (TGA Clinical Trial Notification or Clinical Trial Exemption)
<input type="checkbox"/>	Certificate of Insurance
<input type="checkbox"/>	Investigator’s Brochure
<input type="checkbox"/>	Evidence of Good Clinical Practice (GCP) Training for each investigator
<input type="checkbox"/>	QCAT approval for adults with impaired capacity to consent: For advice see: https://www.qcat.qld.gov.au/_data/assets/pdf_file/0015/100905/form-16-app-to-conduct-clinical-research.pdf
Gene Technology	
<input type="checkbox"/>	Institutional Biosafety Committee (IBC) approval For info see: http://www.ogtr.gov.au/internet/ogtr/publishing.nsf/Content/ibc-1
<input type="checkbox"/>	Licence for dealings with a Genetically Modified Organism (GMO)
Tests / Data / Samples outside standard practice that are performed specifically for research	
<input type="checkbox"/>	Quote and approval from relevant department (e.g. Pathology Queensland, THHS Pharmacy, THHS Medical Imaging etc)
Radiological Procedures outside standard practice that are performed specifically for research	
<input type="checkbox"/>	Independent assessment report by a Medical Physicist or District Radiation Safety Officer
<input type="checkbox"/>	Confirmation that study has been added to Radiation Risk License
Waiver of Consent (including Opt Out Consent)	
<input type="checkbox"/>	Public Health Act approval: http://www.health.qld.gov.au/ohmr/html/regu/aces_conf_hth_info.asp (or for QH staff seeking permission under section 150 Hospital and Health Boards Act 2011, SSA form signed by Data Custodian and RGO cover letter must state how study meets section 150 requirements i.e. study is for the evaluating, managing, monitoring or planning of health services)
When and Where to submit:	
Documents must be uploaded in https://au.forms.ethicalreviewmanager.com/ (No hard copy required for THHS RG application)	
Applications can be submitted anytime – concurrent submission of HREC and THHS RG applications is encouraged
