

PATIENT INFORMATION

Your safety is our priority

Various healthcare professionals may be involved in your care. While you might find these questions repetitive, it's important we all ask them to make sure you're the right patient getting the right test, procedure, treatment or medication.

- Every time you visit, we will ask for your
- full name
 - date of birth
 - address (if outpatient)

- When giving tests, procedures, treatment or medication, we will confirm your
- full name
 - date of birth
 - address (if outpatient)
 - test or procedure

We may ask to view your

- Medicare card, concession card, driver's licence or other ID

If you are an inpatient, we will cross-check your

- wristband with your patient ID number
