Warwick Dental Clinic services temporarily relocated

THE Warwick Dental Clinic's services will be temporarily re-located to dental vans from Monday, 13 July.

The vans will be parked outside McCarthy House, which is located within the hospital grounds, approximately 30 metres to the right of the main entrance.

The relocation will allow for the installation of new flooring in the dental clinic.

Signs and maps will be on display in the clinic to advise clients of the temporary move.

It is expected the works will take up to 10 days.

These works are part of the Darling Downs Hospital and Health Service's ongoing commitment to upgrade facilities at the Warwick Hospital.

Ends
