

Frequently asked questions

I am confused about the different terms and codes on my payslip. What do they mean?

A glossary of terms is available to help understand the terms used in your payslip. The glossary provides clear descriptions of entitlements, allowances and deductions. It is available on QHEPS through the Payroll Assistance site

<https://www.health.qld.gov.au/ghpp/docs/glossary-of-terms.pdf>

Why does my Attraction and Retention allowance not calculate correctly based on the percentage of my fortnightly salary?

If you are in receipt of a Medical or Clinical managers allowance which is recognised as all-purpose, the fortnightly value of your Medical or Clinical managers allowance will be added to your fortnightly salary to calculate your Attraction and Retention allowance.

I submitted a MedAVAC, but this has not appeared on my payslip as an adjustment. Why?

Adjustments that appear on your payslip only reflect MedAVACs that have been processed.

I think there is an error with my pay – what do I do?

Your first point of contact is your local HHS – start with your manager, who may refer you to your local human resources team member.

Your payslip explained

Senior Medical Officers under MOCA 4.

- 1 **Messages** box shows any relevant payslip messages for the pay period.
- 2 **Employer name**, even for those in a prescribed employer HHS, will continue to show Queensland Health due to it being the paying entity for tax purposes.
- 3 A **personal assignment number (PAN)** is allocated for each role you have with Queensland Health. If you have more than one role with different conditions, such as different leave entitlements, you will be allocated a different PAN for each role and receive a separate payslip for each role per fortnight.
- 4 **Person ID** is your unique employee identification number. You only have one ID number even if you have more than one role.
- 5 **Sub Position** is your substantive or permanent position.
- 6 The **earnings table** provides a breakdown of hours worked and applicable allowances for the current pay period.
Tier payments as per the previous individual contracts are no more. The hours worked and allowances are sourced from advice received from your line manager from your roster or submitted forms (such as a MedAVAC form). The earnings table will reflect this advice and be processed in the current pay period – except where annualised arrangements apply.

- 7 **Current Fortnight Gross Pay** is the amount (before tax) you have earned for work performed in the current pay period.
- 8 The **Bank Disbursements** box shows the Net amount (after tax and all deductions) that was deposited into your nominated bank account and will appear as **Payment Banked Pay Date**. If you have requested that your pay is split and paid into different bank accounts with the same BSB number, each account will be displayed as a separate line item in the bank disbursements box. Ad hoc payments appear in the bank disbursements box as **Previous Ad Hoc Payment**—this confirms the ad hoc payment was deposited into that bank account during the pay period. The payment(s) which make up the ad hoc will be displayed in the adjustments section (second page of the payslip).
- 9 **Deductions** box includes any deductions taken from your pay such as income tax, voluntary tax, memberships and salary sacrifice amounts. HECS/HELP deductions are included in the full income tax figure.
- 10 The **Total Deductions** amount is the total of all deductions for the current pay period.
- 11 The **Net Income** amount is the **Total Gross** amount minus the **Total Deductions** amount, plus the **New Overpayment Identified This Pay Period To Be Recovered (Net)**.
- 12 The **Leave Balances** box includes your eligible accumulated leave types, including recreational leave, sick leave and long service leave.
- 13 The **Year to Date** box includes your total earnings, full taxable earnings and tax paid from 1 July each year.
