Please state reasons for preferences:			

Please indicate alternative training sites or rotations you would be prepared to consider if first preference not available:

- The 'Preference Guidelines' priority system is designed to facilitate timely passage through all training experiences
- Generally, the services recruit to position. Where there is more than 1 applicant that cannot be differentiated between via the applications, then a competitive interview process will be used to determine which trainee is allocated to the rotation.
- Please make sure you have contacted the Director or Chief Training Supervisor at the training sites you have indicated to discuss your applications.
