

Conveen Optima Urisheath – Standard (Coloplast)

Continence Aids Product Information Sheet

Description of Product: Conveen Optima Urisheath Non-Latex Adhesive Penile Sheaths are manufactured from non-latex thermoplastic elastomer and are held in place by a medical grade self-adhesive. Easy to open packaging, that is lightweight and discreet. These sheaths are designed for single use in combination with drainage equipment (e.g., leg bags and/or night drainage bags).

Available in:
