

WHEN HE'S UP TO DATE, HE'S PROTECTED.

YOUR CHILDREN AREN'T FULLY PROTECTED IF THEIR VACCINATIONS ARE OVERDUE

- Vaccinations are safe
- Protects your child and others in community against life threatening diseases
- If you've missed any, a catch-up schedule can be developed with your GP or immunisation provider

TRACK THEIR VACCINATIONS WITH THE FREE VACCIDATE APP.

For more information, ask your GP,
immunisation provider or
