### Immunisation Schedule Queensland

**ADEOCEANTS & ADULTS**

Note: Refugees and other humanitarian entrants aged 20 years and older with no documented history of vaccination are eligible for the following vaccinations: diphtheria-tetanus-pertussis, chickenpox, poliomyelitis, measles-mumps-rubella, hepatitis B, human papillomavirus, meningococcal ACWY

Refer to the Handbook for number and timing of doses.

---

### Immunisation Schedule: Before vaccinating:

- ALWAYS review the Australian Immunisation Register (AIR) to check the patient’s previous immunisation history
- Check the online Australian Immunisation Handbook (the Handbook) or download the Handbook app for information about catch-up vaccination, timing of vaccination for special risk groups at immunisationhandbook.health.gov.au
- Check the correct vaccine dose number has been recorded and report all vaccinations to AIR as soon as possible.
