Dr John Wakefield PSM
Director-General
Queensland Health

By email: john.wakefield@health.qld.gov.au

Dear John

We write on behalf of the West Moreton Hospital and Health Board and West Moreton Health to thank you and acknowledge your significant service to the health of Queenslanders as Director-General, and throughout your distinguished career at Queensland Health.

Your leadership and support throughout the COVID-19 pandemic response helped us make good local decisions to keep the community of West Moreton safe. We have both valued your advice, leadership and guidance through the toughest of times.

You will leave a legacy with us of a true person-centred and values-based approach which was very much appreciated by us both.

We wish you a happy, safe reunion with your parents after much time apart, and all the best in your future endeavours.

Yours sincerely

Michael Willis
