

Continuous Quality Improvement excellence awards

What is the award?

The Continuous Quality Improvement excellence awards are the highest honour that can be received from Torres and Cape Hospital and Health Service (TCHHS). It celebrates the quality of care, engagement, dedication and compassion of all who are making a notable contribution to our diverse health service. These awards highlight excellence and outstanding performance at both an individual and team/unit level.

Who can I nominate?

Open to employees and community members from anywhere within the geographical area that TCHHS deliver services to.

How do I nominate?

Complete the form below and send to Quality Safety and Risk Unit, three weeks before the end of the award period. Details are provided on the next page.
