- Queensland Health Interpreter Service
- Safe Services Diverse Communities training
- Statewide Refugee Health Service
POLICIES

The following Queensland Health policies relate to multicultural health. Since these policies will soon be updated, they will be included in future updates of this folder. In the meantime, the policies can be accessed from the Queensland Health multicultural website (accessible to all staff):

Queensland Health Multicultural Policy Statement

Queensland Health Language Service Policy Statement

NESB Mental Health Policy Statement

PLANS

Queensland Health Strategic Plan for Multicultural Health 2007-2012

Queensland Multicultural Mental Health Plan 2003-2008

INITIATIVES

The following initiatives in multicultural health are statewide.

Queensland Health Interpreter Service – refer to the section “Interpreters” (purple tab) in this folder

Safe Services Diverse Communities training – refer to the section “Cultural competency training” (yellow tab) in this folder

Statewide Refugee Health Service – information about this initiative can be found at:
