**BreastScreen well covered by Bunnings!**

Bunnings Morayfield has donated a market marquee to assist BreastScreen Health Promotion Officers to set up information stalls at events, festivals and expos.

BreastScreen Health Promotion Officer Deb Zammit recently received the new marquee from Bunnings Morayfield Activities Organiser Jenny Fourez.

“This marquee from Bunnings is going to make it so much easier for us to set up at the various events we attend” Ms Zammit said.

“It will not only protect us and the women we talk to from the weather but it will also help us to reduce costs. This means we will be able to visit more events and spend more time talking to women about breast cancer and early detection.

“We are very grateful to Bunnings Morayfield for their generosity and their support of our Service.

BreastScreen Health Promotion Officers regularly attend community events, festivals and expos to promote breast cancer awareness, and talk to women in Caboolture and the Sunshine Coast about the benefits of breast screening and early detection.

To make an appointment at any of the BreastScreen Queensland Services across the Sunshine Coast or in Caboolture call 13 20 50. A doctor’s referral is not required.

Date of donation: Tuesday 4th August 2015
