About Redcliffe Hospital

Redcliffe is a growing seaside city and home to approximately 55,000 people. Safe, sandy beaches and scenic parks span Redcliffe’s 22km of coastline. Affordable rental accommodation is readily available in close proximity to the hospital. Alternatively, live in Brisbane and enjoy the easy commute against the traffic with onsite parking available. Benefit from the conveniences of living near Brisbane city and airport with the ability to enjoy the beach after work or escape to the hinterland at the weekend. Our busy 244 bed Hospital is just 30 minutes north of Brisbane city center and only ten minutes walk to the seafront.

Our Hospital prides itself on being a centre of excellence for education, where clinical competence and professional advancement are promoted through a diverse range of clinical exposure and hands-on experience in a friendly and supportive environment. The superb lifestyle, extensive training, exciting challenges and a multitude of career opportunities make Redcliffe Hospital the perfect place to advance your career in medicine.
