Expression of Interest

Nambour General Hospital is seeking members for a consumer group.

You can make a difference!

Nambour General Hospital has a proud history and is nearing one hundred years of dedicated service for its community. Importantly, Nambour has a very exciting future which you can be a part of.

People from the community—consumers; (patients, carers and family members) offer significant and meaningful insight that helps the health service make improvements in the service we provide.

What is the NGH Nambour Consumer and Community Engagement Council’?
- Its purpose is to improve health outcomes and experiences for Nambour consumers by encouraging a patient focus in decision making.
- The group will discuss and provide a consumer perspective in service planning, designing care and service measurement and evaluation.

What are the eligibility requirements?
- Members are consumers, carers or community persons who have experience of health care that Nambour Hospital provides and who reflect the diversity of the Nambour community.
- Members should be active in the community with a sound understanding of local or regional issues.
- Members will be committed to attend meetings and review associated documentation via email as required.

Expressions of Interest close 25 June 2018

Are there training opportunities available?
- The SCHHS supports consumers to be active members of health service committees by providing education opportunities each year.

How do I submit an Expression of Interest?
- Please forward your Expression of Interest advising how you meet the eligibility requirements by 25 June 2018
- Replies may be addressed to:
  Consumer Engagement Officer
  Patient Safety and Quality Unit
  Nambour General Hospital
  PO Box 547
  Nambour QLD 4560
  Email: SC-engagement@health.qld.gov.au
