1 Policy statement

The bereavement leave provisions of Directive 09/13 Special leave are administratively applied.

2 Application of entitlements

2.1 Part-time employees

Bereavement leave entitlements for part-time employees are the same as those for full-time employees, i.e. leave is on a working day basis.

2.2 Casual employees

The bereavement leave policy applies to short and long term casual employees.

A decision is not to be made to not re-engage a casual employee only because they have taken bereavement leave.

2.3 Employee on approved leave

An employee currently on approved leave may seek approval for bereavement leave by:

- seeking approval to terminate or cancel the existing approved leave and
- applying for bereavement leave.

3 Satisfactory proof

The employee is to furnish evidence of the death or funeral arrangements that is satisfactory to the authorised delegate.
