

Commonly requested data items

Data item	Comments	Required	Justification
Linkage variables			
Facility ID	For linkage only – can be supplied upon request, see below		
UR number	For linkage only, not to be released to the researcher		
Full name	For linkage only, not to be released to the researcher		
Date of birth	For linkage only, not to be released to the researcher		
Sex	For linkage only – can be supplied upon request, see below		
Address	For linkage only, not to be released to the researcher		
ED presentation information			
*Facility ID	Scope is Public Reporting Emergency Departments and Mater Hospital Brisbane Public Emergency Department	<input type="checkbox"/>	
*Presentation date and time	Presentation date DDMMYYYY (requires strong justification)	<input type="checkbox"/>	
	Presentation date MMYYYY	<input type="checkbox"/>	
	Presentation time HHMM (requires strong justification)	<input type="checkbox"/>	
*Triage date and time	Triage date DDMMYYYY (requires strong justification)	<input type="checkbox"/>	
	Triage date MMYYYY	<input type="checkbox"/>	
	Triage time HHMM (requires strong justification)	<input type="checkbox"/>	
*Service commencement date and time	Service commencement date DDMMYYYY (requires strong justification)	<input type="checkbox"/>	
	Service commencement date MMYYYY	<input type="checkbox"/>	
	Service commencement time HHMM (requires strong justification)	<input type="checkbox"/>	
*Episode (ED presentation) end date and time	Episode end date DDMMYYYY (requires strong justification)	<input type="checkbox"/>	
	Episode end date MMYYYY	<input type="checkbox"/>	
	Episode end time HHMM (requires strong justification)	<input type="checkbox"/>	
*Physical departure date and time	Physical departure date DDMMYYYY (requires strong justification)	<input type="checkbox"/>	
	Physical departure date MMYYYY	<input type="checkbox"/>	
	Physical departure time HHMM (requires strong justification)	<input type="checkbox"/>	
Length of presentation	Length of presentation in hours/minutes can be calculated as the difference between selected time fields on request	<input type="checkbox"/>	
Triage category	Urgency of the patient's need - resuscitation/ immediate, emergency, urgent , semi-urgent , non-urgent	<input type="checkbox"/>	

Data item	Comments	Required	Justification
