Dr Marion Peters, Smith Street Medical Practice, Coorparoo

(GP/health service name) has been providing care for:

Patient details here (full name, address and date of birth)
Mr John James Kennedy
19 Sydney Street, Greenslopes, Brisbane
DOB: 19 May 1956

This person has been receiving treatment and palliative care support to manage symptoms related to a life-limiting illness. The person and family have planned for a home death.

In the event that you have been asked to visit the person's home after the death, please note that this death was expected.

The person's GP or the local Community Palliative Care Service can provide a Cause of Death Certificate at their earliest convenience.

We would appreciate if you would complete the Life Extinct form to allow the family to arrange a funeral director.

If you have any questions, please contact the person's GP or the local Community Palliative Care Service.

Thank you
