Nambour General Hospital Auxiliary is calling all volunteers!

If you are passionate about your local community and helping others, and can donate a few hours of your time, the Nambour General Hospital Auxiliary is looking for you!

The volunteer Auxiliary team have been operating the kiosk and gift shop for more than 30 years. The dedicated team of volunteers is looking to expand their volunteer numbers, to continue their high level of service to the community.

The main purpose of the Auxiliary is to provide fresh and healthy food for staff, patients and visitors to Nambour General Hospital.

Auxiliary president Jean Whitney says volunteering and helping others for a greater cause is a rewarding experience.

“The funds we generate in the kiosk by me volunteering helps to provide equipment for the hospital. This in turn helps the community have a better hospital facility. This also helps staff,” Ms Whitney said.

The Auxiliary is a non-profit organisation and all funds raised from the sales of the kiosk and gift shop go towards purchasing necessary equipment for the patients and staff at Nambour General Hospital.

Since opening in March 1986, the auxiliary has proudly donated over \$2 million in equipment to various hospital departments, made possible by the dedication of volunteers.

The only requirement for volunteers is a pleasant personality, and a preparedness to work in a team environment. Volunteers can give as little or as much of their time as they like.

If you are interested in volunteering, you can contact the Nambour General Hospital Auxiliary on Ph: (07) 5470 6858 or email ngh-auxiliary@health.qld.gov.au.
