Child Health

AccessPh: 5319 4824

We deliver a culturally appropriate
service for our mob.

Partnering with Consumers - Standard 2

Consumers and/or carers provided feedback on this patient information.

Service Delivery - Standard 11

Patients and the community have access to safe, high quality healthcare services that are appropriate, effective and meet their needs.

Provision of Care - Standard 12

The intention of this standard is to ensure high quality care is delivered to consumers/patients throughout the care continuum.
