SCHHS celebrates achievements and more than 493 staff and 3530 years of service

Sunshine Coast Hospital and Health Service (SCHHS) staff were today celebrated for their 3530 years of service.

Certificates recognising length of service, excellence awards, and the announcement of the winner of the prestigious Dr H H (Barny) Moy Memorial Medal were presented at the 2017 Staff Excellence and Length of Service Awards.

Acting Health Service Chief Executive Scott Lisle said the Memorial Medal which was dedicated to the memory of Dr Moy, was the highest recognition a member of SCHHS could achieve.

Dr Moy, a consultant urologist with Sunshine Coast Hospital and Health Service from 1989 to 1992, had a strong commitment to and association with the hospital. In his memory his family established a bequest to enable the Dr H H (Barny) Moy Medal to be awarded annually to a member of staff, nominated by their peers.

“The exceptional qualities that Dr Moy embodied – respect, trust, dedication, professionalism, commitment, skill and compassion – are once again evident in the nominations for this year’s Dr H H (Barny) Moy Memorial Medal,” Mr Lisle said.

A number of Excellence Awards will also be presented to either individual staff members or teams, and 493 SCHHS employees who have achieved milestones of service ranging from five years through to 45 years will receive recognition for the important and valued role they have played in the provision of health care to the community.

“The awards are in recognition of staff considered to have made an exceptional contribution to the health service over the past 12 months. This includes doctors, nurses, allied health, administration, operational, technical and trade staff,” Mr Lisle said.

“The Dr H H (Barny) Moy Memorial Medal, the Excellence and Recognition Awards and the Length of Service Awards provide an opportunity for us to acknowledge and celebrate the exceptional work our staff do each and every day during the course of their normal duties,” he said.

A complete list of the winners will be provided following the ceremony.
